

**Summer Camps Withdrawal Policy:** The museum's camps fill up quickly and often have waitlists. We ask that students submit withdrawal requests as soon as they know they are not able to join camp. Students who submit withdrawal requests at least 15 business days prior to the start date of the camp will receive a 50% refund (not including service fees). Students who submit withdrawal requests less than 5 business days prior to the start date of the camp will receive a 25% refund (not including service fees). No refunds will be issued after the start date of a camp.

**MoCA Arlington does not offer drop-in sessions. MoCA Arlington does not prorated fees for students unable to attend all camp sessions.**

**Summer Camps Registration Policy:** Registration will close one week prior to the start of camp, the Monday before at 3pm.

**Classroom Conduct:** We aim to create a safe and fun environment for all our students. If a student is displaying disruptive behavior and their actions are becoming a hindrance to the progress of the class, the student will be asked to correct their behavior. If the behavior continues, the student's parents/guardian will receive a call to discuss the matter. If the behavior still continues, the museum reserves the right to ask the student not to return. In this event, no refund will be offered.

**Summer Camp COVID Protocol:** Students participating in in-person camps must be fully vaccinated and provide proof of vaccination. Individuals ages 18+ are considered fully vaccinated 14 days after they've received a booster in addition to the two initial doses of vaccine (if it has been more than six months since they received their second dose of Pfizer or Moderna vaccine). Individuals between the ages of 5-17 will not be required to provide proof of a booster dose, however, will need to provide proof of the two initial doses. Students ages of 5-17 must be 14 days out from completing their second dose.

**Students are strongly encouraged to wear masks.** Staff and instructors are required to wear masks covering their nose and mouth at all times. Thank you for helping us keep our community safe!

**Students who are experiencing COVID-like symptoms, including cough, fever, sore throat, and congestion, should stay home.** Temperatures will be checked upon arrival and students will be asked to use hand sanitizer before joining class.

\*Covid protocols are subject to change.

**Students who are experiencing COVID-like symptoms, including cough, fever, sore throat, and congestion, should stay home.** To return to class, students must present with the following:

- A negative COVID test

OR

- Provider **clearance** and alternate diagnosis

OR

- **Isolation** for 5 days. The student may return on days 6-10 when the following criteria are met:
  - Fever free for 24 hours (without the use of fever-reducing medication)
  - Symptoms are improving
  - Student wears a [well-fitting mask](#) for 5 additional days (day 6 through day 10) after the end of the 5-day isolation period, in accordance with [Centers for Disease Control and Prevention \(CDC\)](#) guidance
  - If students are unable to wear a mask when around others, they are to continue to isolate for a full 10 days at home.

Please submit negative test or additional documents to [education@mocaarlington.org](mailto:education@mocaarlington.org).
